Venue - Testimonial from Craft Fair - Marlborough Town Hall has been used by other event organisers with good results. "During 2017 and 2018 we have continued to use this venue to good effect, high quality goods being especially popular with the customers. An excellent venue." "The footfall is usually between 400 and 900 at this venue. It is quality customers that this venue provides, looking for that rather special product which they can't buy elsewhere".

Venue - The hall is a Victorian masterpiece in the centre of Marlborough right in the middle of the High Street. The Town Hall dominates this picturesque market town which attracts a good many shoppers and visitors every weekend. The Marlborough Saturday market is a good draw for shoppers.
